NOW what we need to do!

Many schools are in a very bad state of repair as they have been closed for so long.

Poverty has increased as harvest didn’t happen due to the lock downs.

Teachers are having to attempt to repair roofs during the present rainy season.

BUT

Many children are having to take their lessons under the trees!

Which means that

We need to send funds over for more furniture and uniforms

AND

Try in some way help with school repairs

BECAUSE......

NO EDUCATION = POVERTY!

PLEASE HELP!
